"I have two paying clients and more on the way. This is mind blowing to me !"

I spent way too long struggling with fear and procrastination. This program was the missing link. This made me way more confident in my abilities, gave me the tools to really deeply serve and help the people I work with, and finally the motivation needed to really move forward. I'm someone that doesn't finish online classes, almost ever. And yet here i am, at the end of this program, already having two paying clients and more on the way. This is mind blowing to me ! I couldn't recommend this program enough.

~François Dabiel

"Putting myself out there and staying involved with the coaching calls helped me land a \$10,000 client in the first 30 days of the program."

~ Austin Willman
